

A KANSAS CITIAN'S GUIDE TO A SAFE COMEBACK

7 Things You Can Do to Fight COVID-19 in Our Community

1. STAY HOME AS MUCH AS POSSIBLE

The Netflix binge need not end.

2. WASH YOUR HANDS FREQUENTLY

Sing "Happy Birthday" twice...
...the second time with feeling.

3. DON'T TOUCH YOUR FACE WITH UNCLEAN HANDS

You're too pretty for that

4. CONTINUE SOCIAL DISTANCING

We'll always have the gram.

5. WEAR A MASK IN PUBLIC

Masks = the new black

6. IF YOU HAVE COVID SYMPTOMS CALL YOUR DOCTOR

For real, or your public health department (see comebackkc.com for a list).

7. SHOW ONLY LONG-DISTANCE LOVE TO VULNERABLE PEOPLE

Keep savin' those hugs up for grandma when this is all over!

Do these things, and we won't have to shut down again. Fingers crossed.
